					NOTES

 Print document - as is - back-to-back/ two sided.

 Bind planner (officeworks) or you might like to hole punch and use in a folder.

 Add tabs to page dividers. Cut out, fold in half and glue to the relevant pages.

NOTE

This planner has been designed to suit the maximum date range for all Australian state school terms. This will mean that within each term, there will be some dates that are not required for your state. As some pages have been designed to spread over a 2 page view, we suggest printing the entire planner as we have designed it – and then remove any additional pages that are not needed.
